Valley Steel Structures
Box 666
Morris, Manitoba
ROG IKO

To Whom It May Concern:

In 1979, Valley Steel Structures Ltd. constructed a 50' x 70' steel building for my autobody business. I was very pleased with the construction of the building and the efficiency with which Valley Steel Structures operated. I have no reservations in recommending Valley Steel Structures Ltd. for any other construction projects.

If you would like any further information, please do not hesitate to call.

Sincerely,

MORRIS PAINT & BODY SHOP
