

# SUNSET STRIP HUSKY

24 HOUR CARWASH, FOODSTORE, GAS BAR

1401 Highway 17 East, Kenora, Ontario P9N 1M2 - 468-4888

July 12, 1988.

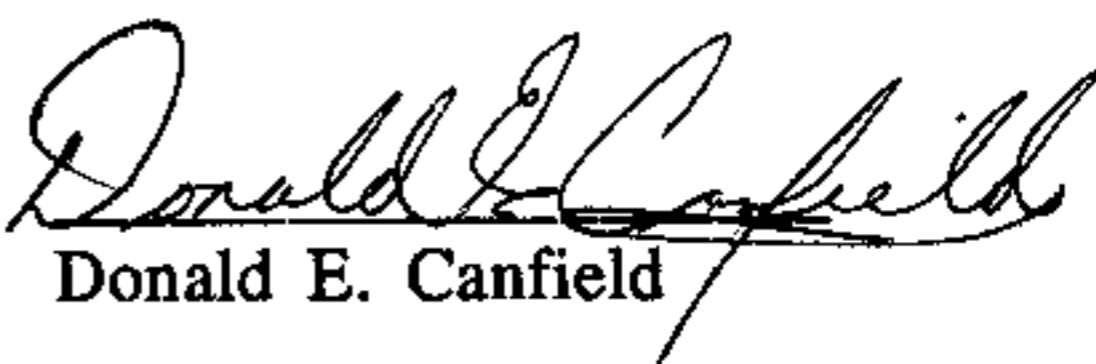

## TO WHOM IT MAY CONCERN:

Valley Steel was the contractor we chose to construct our carwash, gas bar and convenience store complex, which is now known as Sunset Strip Husky here in Kenora, Ontario.

The reason we chose Valley Steel was not only because they tendered a very competitive bid but also because they came very highly recommended, and after seeing the quality of their workmanship on our project, we certainly were not disappointed in having chosen them then - nor are we now.

From our experience and association with Valley Steel here at Sunset Strip Husky, I would gladly recommend them to anyone considering hiring them.

Sincerely yours,

  
per Donald E. Canfield
